

# study abroad

INTERNATIONAL  
ACADEMIC  
PROGRAMS  
University of Wisconsin-Madison

## Returned Student Network

Students on this list represent one perspective on the study abroad program and are not expected to be experts on all aspects of the program. Please note that every individual's experience is unique and that programs often change with regard to staff, courses, activities, housing, etc. The views expressed are those of the individuals and do not represent those of IAP or the University of Wisconsin-Madison.
