## GENERAL INFORMATION

| Scholarship availability (if any) | Scholarships such as JASSO and Japanese Government (MONBUKAGAKUH: MEXT) Scholarship for Japanese and Japanese Studies are available, but are NOT GUARANTEED for all exchange students since the number of recipient is very limited. |
* Note that it is very limited and difficult for exchange students to apply for a scholarship after they come to Japan. Also it is difficult for exchange students to get a part-time job. So it is important that students have enough funding to cover the expected cost of their stay at Keio, at least JPY 130,000 (or equivalent in local currency) per month for the expected period of stay (six months or eleven months).
