2014/2015 Guide for Exchange/Visiting Students
各位國際的朋友大家好:

自古迄今，許多人千里迢迢，翻山越嶺——旅行、求學、探險、貿易、宣教…為了追逐、實踐一個夢想。西元前552-479年，孔子周遊列國，有教無類，傳播儒家思想；西元629-643年，玄奘遠到天竺學佛，反國後仍在長安學習外國語文和佛學；1266年，馬可波羅家族幾度通過絲綢之路抵達中國，《馬可波羅遊記》成為歐洲認識東方的橋樑；1492年，哥倫布在西班牙天主教王國伊莎貝女王和費南多國王的贊助下，想要去印度，卻到了美洲，《哥倫布日記》記錄了旅途探險和見識美洲的驚奇；1870年，清政府派留學生120名到美國留學；1903-1907年，清政府的《獎勵遊學畢業生章程》造就留日學生達15,000人；截至1930年代，留學生留學（遊學）英、法、義、西等國，導致國故學術領域影響了中國近代史的發展；馬偕博士1871年抵達臺灣，學習臺灣話，他和子嗣均娶臺灣媳婦，往來東臺灣、北臺灣宣教、醫療、創辦學校，「寧願燒盡，不願朽壞」，終其一生，奉獻福爾摩沙。

各位來自世界各地的同學，今天你來到了臺灣，進入臺灣大學就讀，不論你是國際學位生、交換生，訪問學生、雙聯學位學生，短期研究、實習學生…；不論你是獎學金生，自費生，公費生…，心中一定都有一個目的，一個動機，一個心願，一個理想。不論你在臺灣大學停留的時間有多長，有多短，都不要忘記你這趟遠渡重洋，前來與臺灣的首要學府相遇邂逅的機緣。就算僅是時刻之間的短暫駐足，也要讓你在臺灣大學的日子像雨後彩虹，七彩繽紛；像萬花筒，萬紫千紅。

因此，不論你來自何方，今日彼此在臺灣大學交會，希望大家敞開心胸，開心學習；認識臺灣文化，與校內外學子、朋友交遊；散發熱情與好奇心，吸取知識訓練技能；讚賞這裡的好，接受、調整可能的不適和文化差異；惦記著當初點燃你前來這裡的火種，讓你在臺灣大學的生活持續發光閃亮。當然，更要發揮你的長處優點，你踏上這塊土地的優勢，告訴我們你的來時路，你的同胞，你的土地，你的文化，讓我們透過你學習、了解、認識你的家鄉，你的國家。

臺灣大學國際事務處不僅是服務各位的「窗口」，更是我們與各位交流往來的「大門」。國際事務處全體同仁會竭盡所能，為各位解決疑難，讓國際學生身在異地如故鄉，化/話鄉愁為情誼。青春是人生最神聖的寶藏，各位在人生的花樣年華來到臺灣大學，我們希望臺灣大學是你的夢尋園，是知識的黃金國，是你優遊世界一隅的蓬萊仙島。將來你不僅會說：我曾去過臺灣，我曾在臺灣大學就讀，我還要回來。

國際事務處國際長

Dear Student:

Throughout history worldwide, countless travellers have traversed miles to study, explore, venture, or impair – all to pursue and actualize their dreams. Circa 552-479 BC, Confucius perambulated state to state to propagate Confucianism. In 629-643, Tripitaka Master Xuanzang trekked to India to acquire Buddhist scriptures and returned to Chiang'an to further his knowledge of foreign languages and Buddhism. In 1266 Marco Polo and his family peregrinated along the Silk Route into China, followed by the travelogue The Travels of Marco Polo to have unveiled the mysterious Orient to the western world. In 1492, Christopher Columbus, sponsored by the Spanish Catholic Monarchs Ferdinand II and Isabella I, sailed to India but fortuitously discovered a new continent. The Log of Christopher Columbus recounts the wonders of his voyages in the Americas. In 1870, the Qing government assigned 120 envoys to study in the United States, and between 1903 and 1907, the government sponsored up to 15,000 students to study in Japan. Until the 1930s, returning Chinese graduates educated in Europe or the Americas shaped the development of modern China in the fields of the humanities and social sciences. In 1871 the Canadian missionary George Mackay arrived in Formosa, learned the local language, married the Taiwanese, dedicating his lifetime to making remarkable contributions to education and modern medicine in Taiwan.

All the international students studying at NTU – (joint-)degree seekers, exchange students, visiting fellows, short-term guests, interns – come here with a goal, a dream, or a vision. Notwithstanding the duration of your residence here, forget not the fortuities, after such a long journey, at this top-notch university in Taiwan. Imprint on your heart the transient moments of NTU days like a splendid rainbow, like a variegated kaleidoscope. 30 years ago while I was a university student, a short immersion program in Spain opened for me an avenue to a broader world of Spanish literature and culture as my gratifying calling till now.

Your divergent backgrounds are now converging at NTU. Open your heart to learn, explore Taiwanese culture, befriend students on campus and locals off campus, ignite your passion and curiosity, hone your professional skills, and embrace cultural differences. Always remember the kindling you have carried and let the sparks now illuminate your life at NTU. Optimize your strengths and take advantage of your distinctive background. Tell others about your stories, your culture, and allow us to learn more about your homeland, your country.

The Office of the International Affairs is not merely an information counter; it is an open gate for communication and exchange. The staff here will endeavor to assist you for a new “home-seeking” experience to alleviate your “homesickness.” Youth is your most precious treasure, and I hope that NTU is your El Dorado where to dig out expansive knowledge, and your Mount Penglai where to travel in the realms of gold. In hindsight sometime later, not only will you reminisce about the days at NTU and in Taiwan, but you will exclaim: “I shall return!”

Chapter 1

Introduction

Welcome! You’re about to start your journey as a student at NTU. In this chapter, you will find important dates and useful contacts.

This booklet is intended for 2014/2015 exchange and visiting students who have been admitted to study at National Taiwan University. It serves as an information guide for students planning their journey to Taiwan.

About NTU

National Taiwan University (NTU) is the flagship university of Taiwan. Dedicated to excellence and leadership since 1928, National Taiwan University has contributed significantly to Taiwan’s rapid development into one of the world’s most competitive economies and democratic societies. Over the years, the University has acquired a reputation for academic excellence and cutting-edge research, right in the heart of Asia.

NTU trains the most outstanding students in Taiwan. It is home to a lively community of more than 30,000 students (17,000 undergraduate and 15,000 graduate) developing their talents across 11 colleges, 2 professional schools, 54 departments, 103 graduate institutes and 66 research centers. On its campuses, one can take advantage of the fullest range of academic programs in Taiwan.

The University also benefits from Taiwan’s rich Chinese heritage and strategic regional position to offer initiatives and solutions that bridge East and West. Among NTU’s many popular courses are its widely acclaimed Chinese language programs.

NTU Exchange/ Visiting Student Programs

NTU has a number of exchange student programs; each is run by a different administrative unit. The Office of International Affairs (OIA) is in charge of university-level exchange and visiting student programs, while the independent College or Department runs college/department-level exchange student programs. All incoming students are obligated to abide by the NTU regulations, no matter which program you are participating in.

You can use your student identification number to check your exchange/visiting status. The status distinction is important because different rules may apply to different categories of students.

You will soon join us – and a student community of 75 nationalities – at Taiwan’s most established and comprehensive university. Here are pre-arrival and upon-arrival tips to ensure a smooth transition into life at NTU.
Chapter 2  Preparing for Arrival

Visa & Resident Certificate (ARC)

To ensure a quick and easy arrival, it is important that you read and follow these guidelines.

Phase 1: Applying for a Visa at Taiwan (ROC) Embassies Abroad

Apply for a valid visa (Visitor Visa or Resident Visa) in your country of residence BEFORE entering Taiwan. There is no specific “Student Visa” for international students studying in Taiwan; recommended visa choices are on the following page. Contact the Taiwan (ROC) diplomatic mission in your country/region for the required documents, latest information and advice.

A list of Taiwan (ROC) Embassies and Missions abroad can be found at www.taiwanembassy.org (中華民國駐外單位聯合網站).

■ What type of visa do I need?

Visitor Visa
• If you are participating in the semester-long program and intending to stay in Taiwan for less than 180 days, a Visitor Visa is enough.
• You are strongly advised to apply for a Multiple-Entry Visitor Visa if you plan to travel internationally during your stay. It will not be possible to change a single-entry to a Multiple-Entry Visitor Visa once you are in Taiwan.
• As a Visitor Visa holder you are permitted to stay for 60 or 90 days, and may apply at local service centers of the National Immigration Agency for an extension (max. 90-120 days) within 15 days before the current visa expires. Check your expiration date.
• Regardless of whether your visa is multiple-entry or has been extended, you cannot enter Taiwan past the “enter before” date written on your original Visitor Visa.

Resident Visa
• If you are participating in the year-long program and/or intending to stay in Taiwan for more than 180 days, you are advised to enter on a Resident Visa. Later, you will have to change to a Resident Visa once you arrive in Taiwan.

Visa Exempt Entry/Landing Visa
• Students who qualify for Visa-Exempt Entry or who obtain Landing Visas valid for 30~90 days (duration depends on nationality, non-extendable) may still be able to enter Taiwan even if coming without Visitor Visas. However, you would then be required to leave the country by the end of the duration.

Renewable/Multiple Entry and Exit Permit
• Students from Hong Kong or Macao should apply for renewable/multiple entry and exit permits in accordance with the Regulations Governing Hong Kong and Macao Citizen’s Entry, Exit, Residence and Registered Permanent Residence in the Taiwan Area. See www.immigration.gov.tw
• This permit is valid for six months and may be extended any time within the six months to a maximum period of one or three years from the first day of entry.

Please note that male students who have dual citizenship and had household registration in Taiwan will be subject to the Taiwanese compulsory military service regulations.
Chapter 2  Preparing for Arrival

What Kind of Visa Do I Have?

1. Visa Type (簽證類別):
   - Visitor Visa (停留簽證): Short-term visa for stays in Taiwan that are less than 180 days.
   - Resident Visa (居留簽證): Long-term visa for stays in Taiwan greater than 180 days.

2. Valid Until / Enter Before (入境限期): the last day the visa holder is permitted to enter Taiwan.

3. Duration of stay (停留期限): The length of the visa holder’s stay in Taiwan; it is counted from the arrival date. Extensions should be made within 15 days of the duration deadline.

4. Entries (入境次數): Single or multiple.

5. Visa Number (簽證號碼): Visitors should fill it in E/D card at immigration.

6. Remarks (註記): A specific code represents the applicant’s identification or reason for visiting Taiwan (e.g. the code for exchange students is FS).

Phase 2: Visa Status Changes and Extensions

While in Taiwan

This only applies if you entered Taiwan on a Visitor Visa. If you entered Taiwan on a Resident Visa, you can skip phase 2 and move directly to phase 3. Phase 2 occurs once you are in Taiwan. You may need to:

- Change your Visitor Visa to a Resident Visa
- Extend your visitor visa
- Get an ROC ID number

This can be a confusing process, so please refer to the following process chart and service center diagram to ensure that you contact the relevant authorities before the various deadlines. Remember, your visa status is your responsibility.

* Should you have any visa inquiries, please contact Taiwan (ROC) overseas Embassies and Missions in your countries/regions directly.
All visa/ARC requirements listed in this chapter are for reference only. These requirements are subject to change. Please refer to the relevant websites (e.g. Bureau of Consular Affairs or National Immigration Agency) for the latest information.

■ Changing from a Visitor Visa to a Resident Visa
This applies to students who only received a Visitor Visa in their home country but plan to study in Taiwan for a full year.

Where: A) Bureau of Consular Affairs, Ministry of Foreign Affairs (外交部領事事務局)

You will need:
1. A completed visa application form.
2. A passport valid for at least six months with ample space for stamps, and a photocopy of your passport.
3. Two 2 x 2 inch head & shoulder photos in color (taken within the past six months).
4. The original copy of your Letter of Acceptance and a certificate of enrollment issued by the University (e.g. a photocopy of both sides of your NTU student ID card).
5. A photocopy of your entry visa with the annotation “FS” (e.g. “Foreign Student”).
6. A health certificate issued within the last three months from designated hospitals (see list at http://goo.gl/Fvc51).
7. A payment of TWD 2,200 (USD 66) for single entry (TWD 4,585 for US passport holders) or TWD 4,400 (USD 132) for multiple entries. An additional handling charge of TWD 800 will apply to applications made in the ROC (Taiwan) by Visitor Visa holders applying for change of visitor status.
8. Other required documents such as proof of financial support.

*Consultations are available through the Public Service Hotline at +886 (0)2 2380 5678. The Ministry of Foreign Affairs provides basic consultation services for issues involving foreign affairs, passports, visas, document notarization and related inquiries.

■ Getting an ROC ID Number [中華民國統一證號]
This applies if you have a Visitor Visa and want to:
• Open a bank account
• Receive a scholarship sooner than the time it would take to apply for a Resident Visa and ARC

You should apply for an ROC ID Number at the National Immigration Agency. This does not apply to you if you have an ARC number because that number acts as an ID number in Taiwan. This unique, life-long number is for the registration of people residing in Taiwan (ROC). For information updates, please go to: www.immigration.gov.tw/ct.asp?xItem=1090223&ctNode=30085&mp=2

Where: B) National Immigration Agency (內政部入出國及移民署)

You will need:
1. A completed application form.
2. An original passport and photocopy of it.

■ Phase 3: Applying for an Alien Resident Certificate [外僑居留證]
The Alien Resident Certificate (ARC) serves as your temporary ID card and can prove your resident status in Taiwan. Whether you have entered Taiwan with a Resident Visa or obtained a Resident Visa through a visa change in Taiwan, please remember to apply for the Alien Resident Certificate and Re-entry Permit (重入國許可) at the National Immigration Agency in your resident city within 15 days of your arrival (beginning with the day after arrival) or within 15 days your Resident Visa is issued. The ARC is valid for the duration of your studies.

In addition, if you change your residence, you have to register the new address with related documents at a local immigration service station within 15 days.

Where: B) National Immigration Agency (內政部入出國及移民署)

You will need:
2. Two 3.5 x 4.5 cm head and shoulder photos in color with a white background.
3. Original passport and Resident Visa with one photocopy of each.

Chapter 2  Preparing for Arrival

Mainland China Passport Holders 〔陸籍交換/訪問學生入臺證資訊〕

Only students with Mainland China nationality are required to apply for their Entry Permit through the assistance of NTU. Please refer to the website of National Immigration Agency at www.immigration.gov.tw.

Application Procedure for the Entry Permit

1. Students should fill the Entry Permit application form and send all required documents to NTU while applying for exchange/visiting programs. The application fee can be paid upon arrival in Taiwan on Orientation or Registration day. Please refer to the OIA website for more details and to download the documents.

2. After sending the application documents for Entry Permit to the National Immigration Agency, NTU will send them to students whose home university is outside Mainland China (including Hong Kong and Macau) by email. Students will then need to bring copies of the above-mentioned documents to Republic of China overseas embassies and missions in the country/region of their home university as soon as they receive the email.

Important Reminders

1. Students with Mainland China nationality from universities outside Mainland China may need to apply for the "Mainland Residents Traveling to Taiwan Pass" if they plan to enter Taiwan from Mainland China directly.

2. Students should enter Taiwan before the "Date of Expiry" on their Entry Permit. The "duration of stay" refers to the official letter of acceptance. Students should comply with the regulations and cannot stay longer than the permitted duration.

In September Entry, the Taipei City Service Center of National Immigration Agency provides on-site ARC application service during registration days at NTU; OIA will send out an email with more specific information as it becomes available.
Health Exam & Insurance Requirement

Please be sure to provide the NTU Health Exam Form and insurance proof by the deadline. You won’t be able to complete the registration procedure and get your NTU student ID card without them.

■ NTU Health Exam Policy
To meet NTU and government requirements, all new students must take a health exam by a qualified doctor and complete each examination listed on the NTU Exchange /Visiting Students Health Exam Form. Incoming exchange students can complete the NTU Health Exam Form in one of the following ways:

1. You may get the exam done in your home country and upload the Health Exam Form to our application online system by September 01 (First Semester) / February 01 (Second Semester), or submit it on Registration Day. However, if you have a Visitor Visa and need to change to a Resident Visa once you are in Taiwan, you will need a health certificate issued within the last three months and verified by the Taiwan Embassy. Thus, if this case applies to you, it is better to do the health exam in Taiwan so that the exam does not become invalid.

2. If you can’t complete the health exam in your home country, you can take the exam at NTU Hospital once you arrive in Taiwan and submit the results to OIA. However, if you need to change to a Resident Visa, be aware that you will have to take the health exam for the Resident Visa in a Ministry-designated hospital, in which NTU Hospital is not included (http://goo.gl/Fvc51). You can also take both the Resident Visa and NTU Health Exams at a designated hospital and ask them to fill out the results on both forms.

3. As it takes 5-7 days for the health exam results, students who take the exam in Taiwan and cannot receive the report by registration day should sign an agreement to submit the health exam form within two weeks.

■ NTU Insurance Policy
Provide a proof of your accident and medical insurance worth a minimum of TWD 1,000,000 (approx. USD 34,000) valid for the entire exchange period. Please note that, according to Taiwan’s Ministry of Education, exchange/visiting students are not entitled to the local student insurance plan.

You will have to purchase Taiwan travel insurance on-site if you don’t have insurance or enough coverage (as decided by OIA).

■ National Health Insurance 【全民健保】
Exchange/Visiting students who desire an additional form of insurance and have been residing in Taiwan for more than 6 months can join the National Health Insurance (NHI) system. Please apply for NHI during the 6th month (not before) of your stay in Taiwan. The premium is around TWD 749 per month. You need an ARC to apply.

1. Offer support and information about NTU, such as course searching, course enrollment, accompaniment on registration day or to other NTU administrative offices, etc.
2. Facilitate any possible administrative communication issues such as health exams, visas, and ARC and NHI applications at various government offices.
3. Help you find information in regard to life in Taiwan.

1 TWD = 0.034USD = 0.025EUR at August 2014

We suggest you bring a sufficient amount of money with you to pay for your airport transportation, dormitory deposit (two months of rent), accommodation fee, campus Internet access fee and other necessities such as bedding and food.

* Tuition and program fees for visiting students were not included in the above estimation.

Currency Exchange

If you wish to exchange a foreign currency into New Taiwan Dollars (TWD), the Taoyuan International Airport is most convenient, as most banks in Taipei City only exchange US dollars, Euros, Japanese Yen, Chinese Yuan and HK dollars. Check the latest exchange rates before heading to the bank.

Using Credit Cards/ Bank Cards

Before you leave for Taiwan, ask your bank in your home country whether you can use your credit cards/bank cards to withdraw money in Taiwan and what the transaction charges are.

Opening a Bank Account

Bring your passport and ARC to a local bank and fill out all necessary forms; you can ask the bank teller for help. To open a bank account, you have to deposit at least TWD 1,000. We strongly advise you to apply for a bank card as you’ll be able to withdraw money from ATMs at any time (ATMs can be found on the streets and in most convenience stores).

If you don’t have an ARC, you can use your ROC ID Number to open a bank account; bring your passport and your Republic of China Record of ID No. (中華民國統一證號基資表).

* Please note: If you are under 20 years old, you aren’t considered a legal adult under the Republic of China’s law. You’ll need a letter of consent by your guardian in Taiwan, or by an embassy-approved overseas legal guardian. It is often easier to solicit parental or legal consent before you arrive.

Below is a list of banks located on the campus:

**Chunghwa Post** [中華郵政] [www.post.gov.tw]
The Post Office provides both postal and banking services, including shipping and receiving mail and packages, deposits and withdrawals, etc. Post offices can be found on campus (first floor in Xiao-Fu) and at the MRT Gong-Guan Station.

**Hua Nan Bank** [華南銀行] [www.hncb.com.tw]
Hua Nan Bank Taita Branch is on the opposite side of Lu Ming Hall at the Lu Ming Square. Tel: +886 (0)2 2363 1478 Fax: +886 (0)2 2363 9657
■ Mobile Phone

Previous exchange students recommend buying pre-paid cards at the telecom service centers of the Taoyuan International Airport when you arrive, because it is less convenient to do so in Taipei City. It is possible to bring your own mobile and purchase a local pre-paid card. For example, from most convenience stores on campus, two forms of photo IDs are required.

If you prefer to apply for a phone plan, you will have to present your ARC, passport or driver's license and be accompanied by a native guarantor (his/her ID Card and National Health Insurance Card are necessary) at the service centers of major telecoms.

Airport Shuttle Service to NTU

An airport shuttle service (from Taoyuan International Airport to NTU Dormitories) is provided upon request to all international students free of charge; however, it is restricted to certain times from 8am to 9pm. Students who would like this service must sign up through NTU Online Application System between August 01–August 16, 2013 (First Semester) or January 02–17, 2014 (Second Semester). Once the schedule has been arranged, we will notify you by email.

First Semester
Dates: September 09-10 (Tue-Wed), 2014

Second Semester
Dates: February 23 (Mon), 2015

OIA will only arrange airport shuttle service for students who apply by the deadline. It is also not possible to provide individual service if your arrival time does not coincide with OIA scheduled times. Please note that the airport shuttle service is only for students who arrive at Taiwan Taoyuan International Airport.

Chapter 3
Accommodation
At NTU you can look forward to live in quality accommodations. Each semester, local and international students enjoy the convenience and affordability of our residential services. This chapter helps you to find the right place in which to live and feel at home.
NTU Accommodation

Exchange/visiting students have the option to live in university housing at the Prince House Dormitories (BOT) or the Guo Qing Dorm (IYC). The Prince House Dormitories has two locations: Prince House - NTU ChangHsing Dorms [太子學舍-臺大長興舍區] and Prince House - NTU ShuiYuan Dorms [太子學舍-臺大水源舍區]. They are contracted out, built and operated by the Prince Housing and Development Corp., but allocated by the NTU Student Housing Service Division. Both Prince House dorms are located just across the street from campus. The other option is Guo Qing Dorm (IYC) [國青宿舍], which was renovated in summer 2011. Guo Qing is the only on-campus dormitory for exchange/visiting students; it is located on the northeast section of the campus.

NTU aims to provide convenient and affordable housing to both international and local students. The dormitories are operated under both NTU and dormitory-specific regulations.

You risk expulsion from your dorm and the Exchange/Visiting Program if you are found to have seriously violated any of the housing policies. Dormitory staff are under university directives to particularly enforce the following rules.

Disruptive Behavior, Alcohol & Drugs
Under no circumstances will alcohol intoxication, possession and/or use of drugs, stealing, spitting and any other disruptive behavior be tolerated. NTU Exchange/Visiting Student Programs present a unique opportunity to learn social responsibilities; it is assumed that all dormitory residents are intelligent, aware and mature individuals. The use of alcohol by residents aged 18 and over is not prohibited but will be closely monitored. Intoxication will not be accepted as an excuse for irresponsible behavior or any infringement of university accommodation regulations or disturbance to other residents/staff.

Noise
Every dormitory resident has the right to a reasonably quiet environment. Everyone should respect others and be considerate towards their neighbors when holding activities in the dormitory. Loud conversation or any other intrusive activity is likely to distract other residents from their studies. Furthermore, the dormitory is a communal space mostly located in dense residential areas. Please refrain from excessive noise both outside the dormitory and on dorm grounds.

Smoking
Smoking is not permitted anywhere in or near university dormitories. Offenders will face disciplinary action.

Guest
Guests are required to sign in at the front desk when visiting and must leave the dormitory before 11pm. No guest is allowed to stay overnight in any university dormitory.

*National Taiwan University Student Dormitory Management Regulations
Application

When applying for the NTU Exchange/Visiting Student Program, you are asked whether you’ll need on-campus accommodation. This is guaranteed university housing and if you apply you will be automatically offered a place at a university dormitory. Note you won’t be able to apply once the deadline passes. If you apply for housing, you will receive a notification from OIA to check Entry Information in our application system for the results approximately one month before the semester begins.

NTU offers a large number of rooms. Nevertheless, the total amount of rooms is limited and it is possible that your most preferred type will not be available. Regarding Prince House dormitories, university-level exchange/visiting students will be offered a place at the ShuiYuan Dorms, while college/department-level exchange students will be offered a place at the ChangHsing Dorms.

All rooms are either male or female (not mixed). Please note that your roommate cannot be chosen. We do not provide on-campus accommodation for couples or families.

If you decide to arrange private accommodation and give up or move out of the university dormitory, know that while you can reapply in the future, OIA cannot guarantee you housing again. It will be up to you to apply on your own to the Housing Office, but be aware that on-campus housing is extremely limited.

Please note: This school因宿舍床位有限，所提供交換/訪問學生之保證宿舍資格僅限一次，不得保留。學生一旦放棄該分配結果或自行退宿，本處一概不再接受其宿舍申請。

University dormitory check-in begins on September 9-10, 2014 for the First Semester, and February 23, 2015 for the Second Semester. We recommend that you try to arrange your flights to Taiwan on these dates. Dormitory volunteers will help students check-in and get to know the neighborhood.

   - Bedding (except for suites)
   - Towels

■ Check-in Procedures
Check-in is between 9am and 6pm and students are advised to arrange their arrival during office hours on check-in dates. If you cannot arrive during office hours, you must contact Guo Qing Dorm in advance.

Step 1 Go to the administration office on the second floor of the Guo Qing Dorm. Read the NTU Accommodation Regulations and hand in the signed NTU Accommodation Agreement.

Step 2 Pay the mandatory key deposit (TWD 1,000 for a Twin Share room). The deposit is refundable only when you complete the checkout procedure and return your keys.

Step 3 The accommodation fee per semester will be listed on the payment sheet for Guo Qing Dorm tenants and should be paid by Registration Day.

■ Check-out Procedures
You are not allowed to stay longer than your exchange period and must complete the checkout procedure before moving out. If you cannot complete the checkout procedure during office hours, contact Guo Qing Dorm in advance.

Step 1 Bring the OIA Deregistration Form to the Guo Qing Dorm resident director and receive an official stamp for approval. You do not need to get the form stamped on the day of your departure; this can be done on an earlier date for your convenience.

Step 2 Return the keys and get your key deposit back.

■ Contact Details
If you wish to ship packages to Taiwan, you need to arrive at the Guo Qing Dorm earlier than the packages because Guo Qing Dorm is not responsible for safekeeping. The following addresses may be helpful when applying for a visa or entering Taiwan:

Chapter 4

Studying at NTU

NTU has acquired a reputation for academic excellence and cutting-edge research, all right in the heart of Asia. This chapter guides you through academic administrative matters such as course enrollment and transcripts so that you can take advantage of Taiwan’s fullest range of academic programs.
**Course Information**

All exchange/visiting students can take courses offered by departments/institutes outside of their majors while at NTU. NTU Online Course Information can be found at https://nol.ntu.edu.tw/nol/coursesearch/index.php?lang=EN. You may also access the website by clicking “Courses” on NTU’s English homepage at www.ntu.edu.tw/english.

To search for a course, you need to select the academic year. Note the different way that Taiwan counts years, which is based off of the founding of the Republic of China in 1912. If you use the Chinese version of the NTU Online Course Information, 103-1 indicates 2014-1 (First Semester from September 2014 to January 2015) and 103-2 indicates 2014-2 (Second Semester from February 2015 to June 2015).

In general, lectures and examinations are conducted in Chinese. If you do not have sufficient knowledge of Chinese, you should consult the professor or instructor before enrolling in a certain course.

**Courses Taught in English**

Although Chinese is the main language of instruction at NTU, there are also courses taught in English by certain colleges/departments. You may browse a list of courses taught in English offered in recent semesters by clicking on “Courses Conducted in English” under the NTU Online Course Information. You can also visit OIA website at www.oia.ntu.edu.tw/oia/index.php/doc/view/sn/967/block/336/lang/en for an overview of the Course Information for International Students.

**Restrictions on Course Selection**

- The following courses are not open to exchange/visiting students:
  1. Programs provided by the Center of Teacher Education [師資培育中心].
  2. Summer Session [暑修] or Summer College [夏季學院] courses.
  3. Practical training courses in the College of Medicine [醫學院實習課程].
- The Department of Anthropology [人類學系暨研究所] has Chinese language proficiency requirements because its courses are conducted in Chinese.
- Undergraduate exchange/visiting students have the same priorities as junior undergraduate students. Some graduate (Master or PhD) courses are not open to undergraduate students.
- All courses in the GMBA program and some required courses taught in English in the College of Management are only open for degree students during the online course selection period. If spaces remain open at the end of the online course selection period, they will be opened to other students (including exchange/visiting students) during the add/drop period.
- Physical Education courses are worth 1 credit (if passed) and are counted toward the computation of the semester average grade score. Students may select no more than two different PE courses per semester.
- Exchange/Visiting students enrolled in laboratory classes such as Biotechnology Core Techniques are required to pay the lab fees.
- Students cannot take courses that cause conflicting schedules or courses with the same curriculum number in the same semester.
- Regarding student status restrictions, please refer to the column “Limits on Course adding/dropping” for each specific course at NTU Online Course Information.

**Additional Information**

1. Course Curriculum Number

   Curriculum numbers are 4-digit numbers prefixed with abbreviated department names. The first digit of the basic number indicates the target students in terms of year of study. For department abbreviation, refer to the university website at http://curri.aca.ntu.edu.tw/cur2007/services/dept_abb_e.htm

Courses offered by the Colleges of Social Science, Medicine and Public Health are often held on those Colleges’ branch campuses. Please note class location when enrolling in classes.

3. Course Units and Hours
This information applies to class times, which can be found under “schedule classroom” on the NTU course information website. For instance, Mon 78 stands for Monday 15.30-17.20.

### Course Enrollment

#### OIA Suggestions for Exchange/Visiting Students
1. Both local and exchange/visiting students are eligible for NTU’s Online Course Selection System. For questions regarding course selection or course description, please consult directly with your NTU student volunteer or the instructor/department.
2. Please read the Guidelines for Course Selection and Enrollment provided by the Office of Academic Affairs at http://reg.aca.ntu.edu.tw/selcou/selcou-eng.doc. You can also download the guidelines from the Online Course Information website https://nol.ntu.edu.tw/nol/coursesearch/index.php?lang=EN.
3. You can create your own class schedule at the NTU Online Course Information website to help you plan and ensure that your classes don’t overlap. **Please note the class schedule is solely a reference; you still have to enroll in the courses.** To complete the online course selection, you need to log in the course selection system and import your class schedule by inputting the information class-by-class.

#### The Course Enrollment Process Consists of Four Parts

**Part 1: First Online Course Selection Period**
Visit the website at https://my.ntu.edu.tw and find “Online Course Selection System” in “Courses” section. The User ID is your NTU student ID number. The default password is an “a” plus your date of birth. For example, if you were born on January 22, your password would be a0122.

**Part 2: Second Online Course Selection Period**
You may log in to the online course selection system to check your final course results after the 1st Online Course Selection Period. You may check if any course is still available by entering the 5-digit Course Serial Number. If the course is full or unavailable, you cannot add it to your list at this stage.

**Part 3: Online Course Add/Drop Period**
(Sep 15-28/29, 2014) / (Feb 24-Mar 07/08, 2015)

**Part 4: Online Confirmation of Course Selection Results**
(Oct 6-10, 2014) / (Mar 16-20, 2015)

The process begins with the First Online Course Selection Period on August 18 for the First Semester and on January 19 for the Second Semester. Please refer to Appendix: NTU Academic Calendar 2014/2015 for detailed dates concerning course registration. Please refer to Appendix: NTU Academic Calendar 2014/2015 for detailed dates concerning course registration.
Part 3: Online Course Add/Drop Period [加退選]
(Sep 15-28/29, 2014)/(Feb 24-Mar 07/08, 2015)
After classes begin, you may attend all the classes that you wish during the first two
weeks while simultaneously adding/dropping courses online. Under certain circum-
stances, students may download and complete the “Petition of Instructor’s Consent for
Course Add” in the third week of classes to add courses manually.

Part 4: Confirm Course Selection Results Online [確認選課結果]
(Oct 6-10, 2014)/(Mar 16-20, 2015)
You must confirm your course selection results online, regardless of whether you add/
drop courses during Part 3 in the fourth week after classes begin. Please visit “myNTU”
at https://my.ntu.edu.tw, click on “Course Selection Results” in the “Courses” section, and
print out the results for your records. For those who fail to confirm the results, the Office
of Academic Affairs will not accept any appeals, even if there are mistakes or errors in
the results.

If your course selection result is not correct, please report it to the Undergraduate Aca-
demic Affairs Division [註冊組] or the Graduate Academic Affairs Division [研教組]
before the deadline (see Chapter 1 for contact information).

Withdraw of Selected Courses [停修]
Deadline: Dec 12, 2014/May 22, 2015
Under certain circumstances, students are allowed to withdraw from 1 course for each
semester after the Add/Drop Period. You should have the withdrawal form (available at
the Office of Academic Affairs) signed by both the instructor and the head of your de-
partment, and then submit it to the Office of Academic Affairs no later than the deadline.
Once you withdraw a course after the Add/Drop deadline, a mark of “W” (withhold) will
be shown on your official academic transcript. Please note that if you stop attending a
course without following the course withdrawal procedure, you will receive a grade of
“F” or “X” on your transcript.

Learning Chinese

NTU General Chinese Course
All NTU exchange/visiting students are eligible to take a NTU General Chinese Course,
which is a regular academic course with credits. If you select your willingness to enroll
in a NTU General Chinese course on the application form, you will be automatically en-
rolled after you complete the registration and placement test. We currently offer courses
at a variety of levels. Students are assigned to an appropriate level after a placement test.
There is no need to select the General Chinese Course in Online Course Selection System.
Your Chinese placement test results will appear on the NTU course selection system one
week after the placement test. Please make sure to “confirm” your results on the system
as soon as possible. It is not allowed to have any time conflicts with your class schedule. If
you would like to add or drop the course, please follow NTU course selection regulations.
If you are taking the General Chinese Course at NTU for the first time, you must do the
registration and placement test on September 07 for the First Semester and on February
15 for the Second Semester.

2. Language courses at NTU do not usually award more than three credits; however, your home institution may reevaluate or determine your transfer credits.
3. NTU’s Enhancing Chinese Courses grant one credit; however, your home institution may reevaluate or determine their own acceptance of transfer credits.

### NTU Credit Points and Grading System

#### Credits

The credits required for an undergraduate/graduate degree vary among departments. Generally, students complete at least 128 credits for a bachelor’s degree and at least 24 credits for a master’s degree.

The number of credits awarded in NTU courses is based on the total class hours in a semester: 1 credit is usually equal to 1 hour of lecture each week, 18 weeks per semester (midterm and final exams included). A full-time undergraduate student at NTU should take a minimum of 15 credits each semester (a 6-credit reduction may be allowed under certain conditions). Exchange students are required to take at least 2 courses or 4 credits at NTU.

For information on credits per course, please visit NTU Online Course Information at https://nol.ntu.edu.tw/nol/coursesearch/index.php?lang=EN

■ Credit Transfer

To transfer credits back to your home university, please consult the relevant administration at your home university.

Registration

Exchange/Visiting Student Registration for the First Semester is Sep 12, 2014 between 9.30am-noon and 1.30-4.00pm. The Second Semester registration for incoming students is Feb 24, 2015. Please make sure that you complete the following procedure in order to be officially registered as an NTU exchange/visiting student. Your NTU student volunteer can also assist you during registration.

For college or department-level exchange students, please consult your host college/department office directly because your registration is separate.

■ Registration Procedures for the 1st Exchange Semester

Registration is held at OIA office for the convenience of newcomers.

**Step 1**

You will receive a registration form and payment sheet at the Orientation Day reception desk (Sep 11, 2014/ Feb 25/26, 2015). If you cannot attend Orientation, please find your regional manager at OIA to get your documents on Registration Day.

**Step 2**

Please bring your payment sheet to either the convenience store (e.g. 7-Eleven) or ChungHwa Post on campus and make the following payment(s):

- Campus Internet Access Fee: TWD 400/semester for those who live off-campus or at BOT Prince House Dorms and TWD 600/semester for others.
- Tuition fee (for visiting students)
  - NTU Visiting Students are required to pay the Program Fee upon applying, and the Tuition Fee at any bank or post office in Taiwan by Registration.

**Step 3**

Please go to OIA and present your payment receipt to your regional manager. You will then receive your NTU student ID card if all required application documents have been submitted. The registration procedure is complete when you finish the above procedures and return the registration sheet to the OIA.

Students who are taking courses from the registered department/institute are strongly advised to visit their host department office to inform them of their arrival at NTU.
Registration Procedures for Students Who Remain through the 2nd Semester

The following information is important for students whose exchange period is one full year.

**Step 1**
If you’re staying for one year or have extended your exchange/visiting period, you must download and print out the 2nd semester payment sheet. You can find this sheet in “Tuition and Miscellaneous Fees and Payment” (學雜分費繳費及證明) in the “Students” section on “myNTU” https://my.ntu.edu.tw (you log in with your NTU student ID number and password). You have to pay the fees at any convenience store or ChungHwa Post before Feb 24, 2015 for the second semester. If the housing fee needs to be modified, please confirm the change with the Student Housing Service Division first before you pay.

**Step 2**
For undergraduate exchange/visiting students, please go to the Undergraduate Academic Affairs Division (Room 106, Administration Building) with your payment receipt to obtain an official registered stamp on your NTU student ID card. For graduate exchange/visiting students, please visit the Graduate Academic Affairs Division (Room 210).

* All NTU students are required to complete the registration procedure for each semester before NTU classes begin.

### Change of Exchange/Visiting Period

To extend or shorten your exchange/visiting period, you must apply before the deadline (December 01 for the first semester and June 01 for the second semester) and follow the procedure below:

If you are an exchange student, approvals from both NTU and your home university are required to extend or shorten the exchange period. An extension request will be considered according to the situation. If there are no more spaces available in the program, an extension will not be approved.

If you are a visiting student, and you wish to extend the visiting period, you may contact the OIA directly.

The maximum exchange/visiting period is one academic year. If you have already applied for a one-year exchange/visiting program, no further extension will be approved.
Chapter 4 Studying at NTU

NTU Scholarship

Exchange/Visiting students are not eligible for the Ministry of Education Taiwan Scholarship. NTU offers scholarships to students from universities that have bilateral scholarship agreements with NTU. To apply for a scholarship, you must first be nominated by your home university. The applicable universities are shown below:

<table>

The NTU Scholarship offers a stipend of TWD 12,000 per month for a maximum of 10 months (September to January for the First Semester and February to June for the Second Semester). According to the Ministry of Education guidelines, all scholarships must be transferred to ChungHwa postal accounts. Therefore, scholarship awardees should open a ChungHwa postal account as soon as possible once arriving in Taipei. The scholarship will then be transferred to the awardees’ postal account by the 10th of each month.

If you enroll in the First Semester, the scholarship of September and October will be issued altogether in October; if you enroll in the Second Semester, the scholarship of February and March will be issued altogether in March.

If you leave Taiwan before your exchange period ends, your scholarship for the remaining months will be cancelled automatically.

If you are the recipient of the allowance of Erasmus Mundus MULTI Program, your allowance will be issued in the same way as the NTU scholarship (mentioned above), and you too should open a ChungHwa postal account. Allowances for the first two months will be given altogether in the second month after you’ve arrived in Taiwan and enrolled in NTU.

Before Leaving NTU

All exchange/visiting students should complete the Deregistration Procedure online before leaving NTU.

**Step 1**

Log in to the OIA online deregistration system for exchange/visiting students at www.oia.ntu.edu.tw/exchange/index.php. Select “Online Deregistration Form” and follow the instructions. You’ll be asked to fill in the information regarding your departure itinerary, including your flight schedule and dormitory checkout date. Please make sure that you return all books borrowed from the NTU library. You should start the dormitory checkout process as well. After completing the online procedure, you’ll be able to download and print out your deregistration form.

**Step 2**

Follow the instructions on your deregistration form. Make sure you bring your NTU student ID card to the Office of Academic Affairs to invalidate your student ID (it can still be used as Easy Card but without student status) before leaving NTU.

**Step 3**

Turn in your deregistration form to your OIA manager once you have completed the above procedures. Please remember to upload your exchange report or your blog to the OIA website within two months after your exchange period. Without the deregistration form and exchange report/blog, your deregistration procedure will be considered incomplete and NTU will not send your official transcript.

Exchange reports/Blogs will be shown on the OIA website at www.oia.ntu.edu.tw/oia/index.php/exchange/experience/type/incoming as useful information for prospective students. You may also access this system by going onto the OIA website www.oia.ntu.edu.tw and clicking on “International Students→Exchange Students→Students’ Reports/Blogs.” Please avoid mentioning things that you are not willing to share openly in the report.
Grades and Official Transcripts

A few weeks after the final exams, you will be able to check your semester grades online at https://my.ntu.edu.tw. Click on “Grades Inquiries” in “Students” section. The grades for the courses in which you were enrolled may not all be available at once since instructors may delay submitting grades to the Office of Academic Affairs. However, all grades should be available by the end of summer/winter vacation.

OIA will send 2 copies of your official transcript (one for you and one for your home university coordinator), in both Chinese and English, to the international office at your home university by registered mail if you completed the deregistration procedures. It will take one to two months after your exchange period ends for the transcripts to arrive; it may take longer depending on when all students’ final grades become available.

For visiting students who apply individually, the OIA will send both copies of your transcript to the mailing address that you gave when you applied.

If you need copies of your transcript when you are still in Taiwan (during your exchange), you can apply for transcripts at the printing machine outside the Undergraduate Academic Affairs Division or the Graduate Academic Affairs Division. Enter your student ID number and four digits of your birth date to log in. For example, if you were born on January 22, your password would be 0122.

The OIA will send 2 copies of your transcript free of charge. For extra copies (TWD 20 each) after leaving Taiwan, you can apply via the Online Transcript Order System (http://140.112.161.72/transcript_eng/login.asp or myNTU→Students→Curriculum) with the following information:

- Student ID number
- ID number (exchange/visiting students can just type student ID number).
- Date of birth.

If you have any questions concerning your transcript, please contact the Office of Academic Affairs directly by email.

Chapter 5
Campus Life

This chapter has a range of useful tips and information relating to your stay.
Facilities

Global Lounge
http://global.ntu.edu.tw
Hours of Operation: Monday to Sunday, 8am to 10pm
During summer and winter vacations: Monday to Friday, 8am to 5pm

The Global Lounge was jointly established by the OIA and the Office of Student Affairs. It provides a satellite TV wall with live broadcasts from a number of global channels, as well as an international conference room that can be reserved for meetings. There is also an open area meant to facilitate cultural exchange between international and local students.

The Global Lounge student management team is comprised of a number of student clubs that plan activities, manage rules and regulations, maintain the website and provide various other services. You will find student assistants who can speak fluent English and who will be happy to provide advisory services regarding life on campus and studying abroad.

Main Library
www.lib.ntu.edu.tw/en

Situated at the end of NTU's well-known Royal Palm Avenue, the General Library is NTU's main library. It is the largest university library in Taiwan. There are also two branch libraries: the Medical Library and the Law and Social Sciences Library. With its rich collection of more than 2,400,000 volumes and comfortable atmosphere, the General Library has become a popular place for students to hang out and study between and after classes.

On the fourth floor, there is a Multimedia Center containing a large collection of classical films and audiotapes. On the B1 level, there is a large, comfortable 24-hour study room.

You will be asked to present your student ID card when you enter the library.

Center for Teaching & Learning Development (CLTD)

The CTLD aims to provide useful information and support to lend more depth to your studies at NTU. The Center holds various activities such as Learning Strategies Workshops, Teaching Workshops, and Study Group Projects. In addition, the CTLD offers a large variety of learning consultations for courses such as Economics, Statistics, Calculus, Chemistry and Physics. Visit the CTLD website to make an appointment.

The CTLD has established two Learning Commons equipped with consultation rooms, meeting rooms and a cozy open space available for group studies and discussion. They are located on the B1 level of the General Library and on the fourth floor of the Liberal Education Classroom Building respectively.

The main office of the CTLD is on the fifth floor of the Liberal Education Classroom Building.

Computer and Information Networking Center [計資中心]
www.cc.ntu.edu.tw/English/index.htm

The Computing and Information Networking Center offers a 24-hour free computing service for NTU students. The Center is secured by gate control, so remember to bring your student ID card.

In the Center, you can surf the Internet and run various kinds of applications. Simply login at a computer using your student ID number and the password you’ve set for your NTU email.

Black and color laser printing services are both available. NTU offers every student a free printing quota worth TWD 100, each semester. After your printing quota is used up, you can add value at the counter. Note that an unused unit cannot be refunded or transferred to another user's account.

The Center applies strict rules against pornographic websites and playing games. Violations will result in the suspension of your computer access rights.

If you have any questions, please talk with the employees at the counter.
NTU Mail 2.0
Every student has an email account with 300 MB of web space.
Visit https://web3.cc.ntu.edu.tw/p/login3/p1.php to activate it and change your password. Your account is your student ID number (student ID @ntu.edu.tw); your initial password is the letter ‘a’ followed by your birth month and day in Arabic numerals (MMDD). For example, if your date of birth is January 30, then the initial password is a0130. This NTU account will also give you access to several other online services at NTU.

NTU Campus Wireless LAN Services [臺大校園無線網路服務]
Every NTU student, employee and faculty can access the NTU Campus Wireless Service. You may access the ‘ntu’ network through your NTU email account and password. However, to access the ‘ntu_peap’ network, another username is required; your device will automatically connect to the network after configuration.
Configuration details: http://ccnet.ntu.edu.tw/english/wireless/setting.html

### Bicycles and School Shuttle

#### Bicycles

Bicycles are used by most students on campus because they are the most convenient. There’s a bike shop next to the College of Liberal Arts, where you can buy a new bicycle and have your bicycle repaired. There are also bike sellers on Xinhai Road (辛亥路). One of the best deals for exchange students is the second-hand bike auction, held several times a semester at the Shuiyuan Campus [水源校區].

Only registered bikes can be parked on campus. Register your bike and then attach the campus ID sticker to your bike then park in the marked parking spaces. Bicycles parked illegally may be towed to the Shuiyuan Campus.

You can register your bike online [臺大腳踏車管理系統] at [http://mybike.ntu.edu.tw/bike/ApplyForSign.aspx?n=1](http://mybike.ntu.edu.tw/bike/ApplyForSign.aspx?n=1) or complete the registration process at the office by the bicycle pound on the ShuiYuan campus.

#### School Shuttle Bus

If you are commuting between the Main Campus and the School of Medicine, the School of Social Sciences, or the Academia Sinica, there is a convenient school shuttle bus at your service. You can travel free of charge by simply showing your NTU student ID to the driver.

The school shuttle bus stops at the Fu Bell on the main campus and at the College of Social Science and the College of Medicine on the branch campuses. The bus runs from Monday to Friday, from 7am to around 6pm (with no operation on national holidays, school holidays, or winter and summer vacations).

You can download the campus shuttle bus schedule from the Office of General Affairs’ website:  
Or contact:  
Ms. Jhih-Jyung JHENG , General Services Division for the Main campus  
+886 (0)2 3366 2237  
Mr. Shi-Lin CHEN, College of Social Sciences  
+886 (0)2 2351 9641 ext 242  
You can also easily take the MRT to reach the NTU campuses by yourself.
Student Organization & Campus Activities

There are approximately 450 student clubs and societies at NTU. According to their nature and activities, they fall into 8 different categories: autonomous, academic, entertainment, service, arts, social, mixed, and physical fitness.

Please browse the list of NTU clubs at http://activity.osa.ntu.edu.tw/English/Club

Tip 1: In March and September of each year the University organizes a Student Club Expo. Visit the Student Activity Division website for details. http://club.ntu.edu.tw/

Tip 2. NTU Foreign Students’ Association is primarily of international degree students but welcomes exchange and visiting students. NTUFSA arranges the orientation reception and regularly holds activities to help new international students adapt to the environment and to provide them with opportunities to interact with one another. During the semester, NTUFSA hosts short field trips, sports events and holiday celebrations.

ntufsa@gmail.com

Working

Exchange/visiting students are not allowed to work in Taiwan because they do not fill the requirements to obtain a work permit. If you hold a job without a work permit, you can be fined TWD 30,000 to 150,000. However, it is acceptable for students to complete an unpaid internship or volunteer work.

Transportation

Taipei Metro/ Mass Rapid Transit (MRT)

You can take the Taipei MRT at Gongguan Station on Roosevelt Road with your NTU student ID card – it can function as an Easy Card.

The Easy Card is a prepaid, rechargeable transportation card, which can be used on all Taipei buses, MRT trains, metro shuttle buses, and at Taipei Public Parking lots. It can be purchased at all MRT stations, and at most convenience stores in the Greater Taipei Area.

Taipei Bus

www.e-bus.taipei.gov.tw (in Chinese only)

Buses in Taipei can take you to many more places than the MRT does. To get to NTU by bus, we recommend that you arrive at your bus stop 10 to 15 minutes in advance in case traffic is congested during peak hours.

Long Distance Bus

You can purchase long-distance bus tickets directly from the bus driver in cash (with no change given), or at counters of the Main Bus Station located next to the Taipei Railway Station (where change is given).

The two main bus companies are:

King Bus (Kuo-Kuang Motor Transport): www.kingbus.com.tw

Taiwan Railway

The Taiwan Railway provides extensive rail services, including services to major sightseeing regions, around Taiwan at competitive prices. Two lines travel down the west coast, three lines cross the north, and several other lines serve the island’s southern and eastern regions.

Taiwan High Speed Rail

The Taiwan High Speed Rail has operated since 2006. It only takes about 1.5 to 2 hours to travel from Taipei to Kaoshiung’s Zuoying Station.

Other Information for Foreigners in Taiwan

Further details on a wide variety of topics are available via online government publications such as the Handy Guide for Foreigners. These materials are available in both Chinese and English.

Some other useful resources for foreigners in Taiwan:

2. Service Hotline +886 0800 024 111
3. www.tealit.com (Has articles, teaching resources, and apartment listings for those who wish to teach and live in Taiwan.)
