Courses and Registration
Equivalent and Course Equivalent Request (CER)
Each course you take abroad must be assigned a UW-Madison “equivalent” and the grade you receive in the course also transfers back to be recorded on your UW-Madison transcript. In order to establish UW-Madison course equivalents for your study abroad courses, you will submit a Course Equivalent Request (CER) through your My Study Abroad account. The deadline to submit the CER is by the end of the fourth week of classes (not including pre-session terms). Detailed information on the UW course equivalent process that you will use through your My Study Abroad account is available in the IAP Study Abroad Handbook and in your My Study Abroad account under the academics tab.

Please note that every course you take abroad must be awarded an equivalent UW course. There are no exceptions. It is important to start the equivalent process as soon as possible to avoid any delay in posting your study abroad courses to your UW Madison transcript.

Limits and Load
Students are expected to enroll in a full-time academic program. The requirement for both tracks on this program (Community Public Health and Development & Globalization) is 15 credits. Thai language is a required part of the program and must be taken. The coursework for both tracks on this program is set and there are no elective options or flexibility in terms of course selection. You can view the specific courses associated with each track on the CIEE program page.

Credits
Unless otherwise noted, the credit conversion is on a 1:1 scale. For example, a 3 credit course on the Khon Kaen program is worth 3 credits at UW-Madison.

Grades and Grade Conversions
The grading conversion scale from CIEE to UW-Madison is the following:
