

Search for School of Business, College of Engineering, CALS, Internship & Non-Affiliated Programs

.....

UW Madison students can now find nearly all UW-sponsored study abroad program on the International Academic Programs (IAP) website.

Students can search for and apply to study abroad programs offered by IAP, the College of Agricultural & Life Sciences (CALS), the Wisconsin School of Business and College of Engineering by visiting <http://www.studyabroad.wisc.edu/explore>

CALS

CALS programs are designed to complement on-campus academics for CALS disciplines, but many of these programs are open to students of all majors. Find CALS programs on the IAP website [by selecting "CALS" in the Experience Type section of the program search page.](#)

School of Business and College of Engineering

Wisconsin School of Business and College of Engineering programs are also tailored to the needs of students in these disciplines. Find these programs [by visiting the IAP program search page](#) and selecting the appropriate school or college below the main search area.

[Search Business Programs >](#)

[Search Engineering Programs >](#)

Internships

To search internships, including options from the International Internships Program (IIP), visit the IAP program search page and select "Internships" under "Experience Type." [See results >](#)

For additional internship opportunities, [visit the IIP website.](#)

Non-Affiliated Programs

Undergraduates who plan to complete course work abroad at an institution or study abroad program which is considered non-affiliated with UW-Madison can apply to receive transfer credit. For information on this process, [visit the IAP website >](#)
