The six Dublin modules are:

- Literature
- Drama
- History
- Gaelic Culture
- Visual Culture
- Economy and Society

UW-Madison students will select and enroll in 4 modules. Students must select their 4 modules in a way that allows those 4 modules to be grouped into Trinity Courses that correspond with UW Madison Course Equivalents listed below. Students will earn 6 UW-Madison credits for the program; two modules are the equivalent of one 3-credit UW-Madison course.
